

In recognition of your far-seeing vision, big picture perspective, life-supporting values, extreme dedication, perseverance, personal initiative, and creative and brilliant problem-solving abilities, you are hereby awarded the

Global Solutions Lab

Designing solutions for global and local problems

Graduate Certificate

SEBASTIAN CORDULAK

*which authorizes you to continue to boldly seek and solve global and local problems wherever they are.
May your contributions help bring peace and sustainable prosperity to the entire world.*

On behalf of the Global Solutions Lab we certify that this person has completed the 2022 Lab.
